If you are an existing ESF customer, the first time you log in you will need to select the 'Forgot Username or Password' option. We have already established accounts for our current users, and at this point you'll be customizing your password. You'll only need to do this the first time you use the new ESF site-to access your account on any subsequent visits, just enter your username and password and click 'Login' to be redirected to your account homepage.

If you are a new ESF customer, use the 'Create Account' button on the right side of your screen.

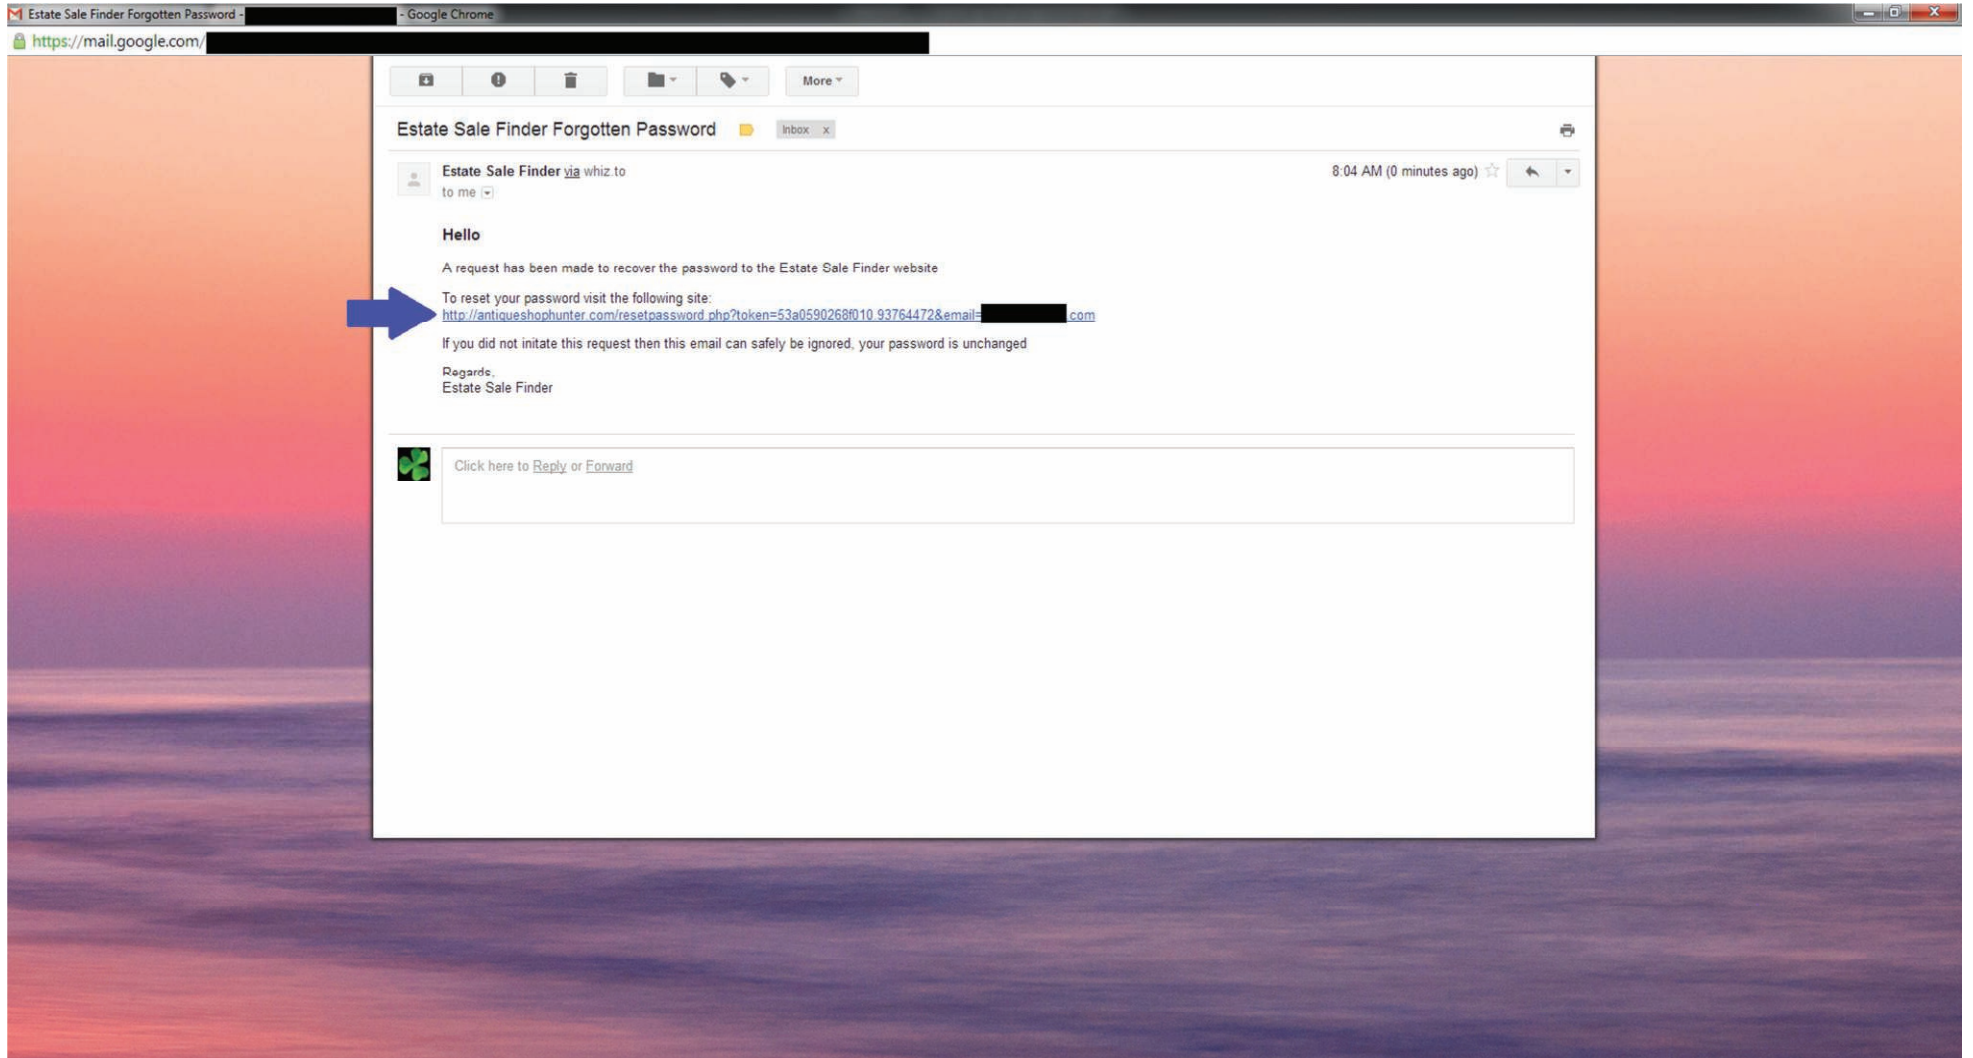

The screenshot shows the website's login interface. At the top, there is a navigation bar with links for ESTATE SALES, AUCTIONS, ANTIQUE SHOPS, FIND A PROVIDER, PRICES & TERMS, and LIST YOUR SALE OR BUSINESS. Below this is a large banner area with a map background and the text 'Estate Sale Finder'. The main content area is divided into two columns. The left column is titled 'Login to Manage Your Account' and contains a form with fields for 'Username' and 'Password', and a 'Login' button. Clicking on “Forgot Username or Password” will bring up a pop-up window, prompting you to enter your email address. Do so, and click ‘Submit.’

Below this is a text input field with the placeholder 'Enter your email' and a 'Submit' button. A blue arrow points to the 'Submit' button. Below the pop-up, the login form is visible, featuring a password field with masked characters, a 'Login' button, and a 'Create Account' button.
